RE: General American Transportation Corporation  
Equipment Trust Series 73

Gentlemen:

I am counsel to GATX Corporation and General American Transportation Corporation.

Enclosed herewith are one (1) original, executed copy and one (1) photocopy of the Supplemental Agreement dated as of November 30, 1983, deleting a portion of the railroad cars covered by the above Trust Agreement, together with our check for \$10.00 to cover the filing and recordation fees. Please note that this Supplemental Agreement was previously recorded with your office (on January 19, 1984) but the Schedules describing the railroad cars were inadvertently omitted.

The Trust Agreement was first recorded in the office of the Secretary of the Interstate Commerce Commission on November 5, 1975 under Recordation No. 8100.

The Trust Equipment deleted by the enclosed consists of railroad cars described in the aforementioned documents (primarily railroad cars of various AAR, DOT and ICC classifications) and the road numbers of such cars are listed in said documents.

The names and addresses of the parties referred to in said agreements are:
